

## INFORMATION BULLETIN

BULLETIN #: 220721-005-I

DATE: July 21, 2022

TO: OMHA Member Associations

FROM: Michael Dundas – Manager, Hockey Development

**SUBJECT: Development 1 Clinic Delivery - Update**

---

The OMHA will be transitioning to a hybrid delivery model for Development 1 clinics beginning in August. Coaches will be responsible for completing the pre-requisite clinic modules, online content and 1-day in-person clinic to obtain their Development 1 Trained qualification. The pathway is outlined below:

- 1) Pre-requisite module: **HU – ONLINE Checking** (must be completed before registering for a D1 clinic)
- 2) Pre-requisite module: **Make Ethical Decisions – Training** (must be completed before registering for a D1 clinic)
- 3) Registration for **Development 1** clinic, which includes two sessions:
  - i. Online on-demand Module
  - ii. 1-Day in-person clinic

Associations are encouraged to have coaches requiring Development 1 training to register and complete the HU – ONLINE Checking and Make Ethical Decisions – Training modules immediately. The Make Ethical Decisions – Training sessions are scheduled to begin August 2<sup>nd</sup>, 2022.

## **Clinic Hosting**

Associations interested in hosting a Development 1 clinic should reach out to their **Regional Clinic Coordinator** to confirm details. Host associations will be responsible for the following:

- A meeting room suitable for 40 people, setup in a classroom style
- 2 hours of ice
- A qualified HTO Trainer to be on the bench during the ice session
- On-ice materials – pucks and pylons

The OMHA will be responsible for the cost of the meeting room and ice. Cost details must be confirmed with the Coordinator and OMHA office before registration is opened in the HCR.

Any questions can be directed to the OMHA Office.
