

Welcome to MMHA's 2025-26 On-line Registrations

Milton Minor Hockey Association uses the Hockey Canada (Spordle) platform for registration. All information requested through the registration process is deemed necessary by Hockey Canada.

PLEASE READ ALL INFORMATION THOROUGHLY

NOTE: Hockey Canada uses the "U"(age) system. For example, a U9 child would be Under 9, or 8 years old in the registration calendar year.

The registration process will look a bit different this season. The Ontario Hockey Federation has removed the restriction regarding [residency for representative play](#). Hockey Canada has reprogrammed their registration platform to accommodate this change. There will be 3 registrations

1. Tryout Registration opening April 2nd– for U8-U18 players attending Spring tryouts for AHL/MD and Rep Teams
2. AHL/MD/Rep Season Registration – for U8-U8 players successful in being offered a spot on a team – Private registration sign up
3. Houseleague Season Registration – Opening April 26th.

NEW: We are permitted to move our U8 and U9 MD evaluations to our SPRING TRYOUTS for players who would benefit from a higher level of play. Per Hockey Canada pathways, U7MD Evaluations will remain scheduled for the fall. U21 AA tryouts will also occur in the fall. More information regarding registering for evaluations will be posted at that time.

NEW: TRYOUT ONLY Registration for U8 to U18 MD, Rep and Advanced Houseleague will open April 2nd and close April 15th. This does NOT include the season registration or accompanying team fees. A link to the tryout registration package will be posted on our website. ONLY register for tryouts if you actually plan on trying out. As a Hockey Canada sanctioned program, Milton is obligated to abide by the [OHF season dates calendar](#) for tryouts. Refer to the Tryout Policy and schedule posted under the tryout tab on the website for the process and more details.

- Tryout policy along with schedules are posted on the website under the tryout tab. Check often for changes.
- Body Contact Clinic: U14-U18 players looking to tryout at the AA or A level, or those interested in being an AP (affiliate player) for AA or A, must complete the introductory body contact clinic prior to tryouts. Refer to tryout tab/schedule on our homepage for times. All age groups/levels below U14, including all BB levels and all houseleague/MD/select/Advanced Houseleague programs remain non-contact. As per OHF guidelines, these clinics are ONLY available to players rostered to a MMHA team in the 2024-25 season. A signup link was emailed to families.
- Goalie clinics: Refer to tryout schedule. Goalies are expected to attend. As per OHF guidelines, these clinics are ONLY available to players rostered to a MMHA team in the 2024-25 season. A signup link was emailed to families.
- U8-U11 Prep Skates: The Hockey Canada mandated OPTIONAL Prep sessions are noted on the tryout schedule and as per OHF guidelines, these clinics are ONLY available to players rostered to a MMHA team in the 2024-25 season. A signup link was emailed to families.

REP/MD/AHL ONLY Registration: Once a player is offered a spot on a MD, Rep or Advanced Houseleague Team, they will be directed to a private store to register for the season. The URL for this store must not be shared with anyone other than the player/player's family being provided the offer. The link is for the player only and not for siblings. Please refer to the tryout policy. Registration will confirm the player's intention in playing for Milton for the season. If a player is not offered a spot on a MD/Rep or Advanced Houseleague Team, they will have the opportunity to register for houseleague play.

HOUSELEAGUE ONLY Registration: Houseleague ONLY registration (not including Advanced Houseleague) for U5 to U21 players will be open from April 26th until spaces fill, or beginning January, whichever comes first. Early Bird Pricing ends July 31. A link to the registration packages will be posted on our website. Please refer to our program info tab on our website for the most up to date info on our houseleague programs.
