

## Milton Minor Hockey Association

---

### Our Mission

To bring to the community of Milton a quality hockey experience that positively impacts the lives of the participants and especially serves to deliver outstanding value to the children, parents/guardians, families and the community of Milton.

### Milton Minor Hockey Association Import Policy

The purpose of this policy is to outline the guidelines regarding the participation of import players for the Milton Minor Hockey Association (MMHA). This policy ensures fairness and development opportunities for local players while permitting a limited number of imports to bolster team performance when necessary.

#### Import Player Limit:

- The MMHA will allow a maximum of three (3) import players per team each season to maintain a balanced development environment for local players. Import players are those who reside outside the designated boundaries of Milton.

#### Request for Additional Imports:

- If a team requires more than three (3) import players, prior approval must be sought and obtained from the Representative Director and the President of MMHA.
- The request must be submitted in writing, **prior to the last tryout for that level**, clearly outlining the reasons for the necessity of additional imports.
- The team coach must demonstrate that no suitable Milton-based player is available to compete effectively at the desired level of play.
- Teams must comply with this policy. Any deviation without prior approval will result in disciplinary actions decided by the MMHA executives.

By adhering to this policy, the MMHA aims to promote the growth and development of local talent while allowing for flexibility in exceptional circumstances where additional skills and expertise are required from imports.
