

House League Roster Select Program: Overview & General Guidelines - Apr 19

MMHA is proud to be able to offer a robust Roster Select Program for our registered House league Players as an exhibition series with other Tri County, OMHA, Alliance & GTHL centers.

This year we will provide Roster Select Teams for:

- Minor Atom through Pee Wee: One (1) team for each year

The season will run from October through March.

Conditions for Roster Select:

- All players must be rostered to a House league team. No Roster Select player shall miss a scheduled House league game in case of schedule conflict.
- Coaches are selected from existing House league bench staff (must be approved and rostered to a HL team).
- There is an incremental cost to play Roster Select to the team of approximately \$XXX. These costs are for team costs of jerseys & socks, 2-3 exhibition games per month, officials, extra practices (some ice provided by MMHA but team pays as well as extra ice booked) and up to 3 tournaments.

Note: Players must play in their appropriate age division. There will not be player movement between age groups.

Dates and Times of evaluation skates are yet to be determined.
